Sir:

REMARKS

Applicants offer the following comments in response to the Examiner's Statement of Reasons for Allowance set forth on page 2 of the Notice of Allowability dated June 17, 2008.

Applicants note that independent reasons, other than those cited by the Examiner, exist for the allowability of claims 1, 5, 8 and 12. Further, Applicants submit that the claims are allowable because of the combination of the claimed features, and not based on the Examiner's Reasons for Allowance. Moreover, the claims should be governed by the actual claim language and not the Examiner's reasons for allowance.

Although the Examiner seems to acknowledge that claims 1 (and 8) and 5 (and 12) are allowed for independent reasons, the Reasons for Allowance merely loosely paraphrase claims 1, 5, 8 and 12, and therefore do not accurately restate the claimed invention.

STATEMENT OF REASONS FOR ALLOWANCE
U.S. Application No.: 10/804,217

Attorney Docket No.: Q79491

Patent Office personnel are requested to note that the present submission does not adversely affect the patent term adjustment accrued by the Applicants to date. As emphasized in the “Clarification of 37 C.F.R. § 1.704(c)(10) – Reduction of Patent Term Adjustment for Certain Types of Papers Filed After a Notice of Allowance Has Been Mailed,” 1247OG111 (6/26/01), “a response to the examiner’s reasons for allowance” is an example of a paper that does “not cause substantial interference and delay in the patent issue process” and is “not considered a ‘failure to engage in reasonable efforts’ to conclude processing or examination of the application.” Therefore, the Applicants remain entitled to the full patent term adjustment set forth on page 3 of the Notice of Allowance dated June 17, 2008.

Respectfully submitted,
